What [User](#) likes about Treasure City: first time to visit here. a few chips when I worked a late layer. they are beautiful. the small part could easily be fed by us 3. will definitely come back and try something else. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities. What [ropentastones](#) doesn't like about Treasure City: After a really bad experience here a while back (they had run out of chips...no seriously they had) I decided to try one more time. I ordered the meal and the pork was definitely not pork I'm convinced of it...was really chewy and rubbery. I didn't enjoy it and struggled to finish half of it. This time they did have chips but I'd soon realise that I'd wished they hadn't. They were hard and crispy like they had been... [read more](#).
