Here you can find the [menu](#) of **Wong Kwei** in North West Leicestershire. At the moment, there are **15** dishes and drinks on the card. Wongs Restaurant has garnered rave reviews for its fresh, tasty dishes and friendly service, with many patrons praising the attentive staff and flavorful menu. However, recent experiences indicate a decline in quality, particularly during takeout. Diners reported long wait times, bland flavors, and inconsistent portion sizes—issues that have left some disappointed. While festive occasions like Chinese New Year still bring positive experiences, and delivery options occasionally shine, the restaurant appears to struggle with maintaining the high standards that loyal customers once celebrated. Overall, Wongs offers potential but needs to rectify recent missteps to satisfy its clientele.
