On this website, you can find the **complete [menu](#) of Fitzwilliam Arms** from Rotherham. Currently, there are **15** dishes and drinks available. The Fitzwilliam Arms offers a mixed dining experience, with highlights and disappointments. While the carvery and breakfast are often praised for freshness and taste, recent visits revealed inconsistency, with reported long waits and insufficient food supplies. Service generally receives positive notes, and the ambiance is appealing for family gatherings and events. However, concerns regarding accessibility, room conditions, and pricing for private functions have surfaced. Overall, while loyal patrons relish the feast and value, others express dissatisfaction, indicating that the establishment has room for improvement in both food quality and service efficiency.
