On this website, you will find the **complete [menu](#) of The Kebab House** from New Forest. Currently, there are **25** dishes and drinks available. In a small Hampshire town, opinions on local dining experiences are decidedly mixed. While some patrons commend the quick service and quality of doner kebabs and wraps, praising generous portions and excellent flavors, others express disappointment over incorrect orders, subpar food quality, and lack of adherence to safety protocols. Repeated visits yielded both delightful meals, like juicy lamb and crispy pizzas, and unfortunate incidents involving frozen burgers and hard chips. Overall, the restaurant reveals potential for greatness, yet significant inconsistencies in food preparation and service warrant improvement to elevate the dining experience for all visitors.
