Ali's was always the curry house that set the standard for me. Unfortunately these days it sets a very poor standard. The onion bhajis we had tonight were so dry they were un-edible. That's exactly what you can expect at the Ali Taj from Copeland, with its **successful Asian fusion cuisine** - the perfect blend of what you know meets the adventurous world of fusion cuisine, the restaurant serves however also *dishes typical for Europe*. Look forward to the enjoyment of **delicious [vegetarian menus](#)**, on the menu there are also a lot of [Asian menus](#).
