A gorgeous, cosy country pub. The staff are really friendly, welcoming helpful. The food is lovely the portions are massive! The pool table is a bonus too, it's in a separate area to the main bar, so if you're not a fan, it doesn't get in your way! Definitely worth a visit. read more. The place also offers the possibility to sit outside and have something in nice weather, and there is no-charge WiFi. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physical limitations. During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of **good beers and other alcoholic beverages** that go well with the food, Particularly fans of the British cuisine are excited about the extensive diversity of traditional menus and love the typical English cuisine. The *burgers of this place* are among the highlights and are usually served with filling sides such as French fries, leaf and cabbage salads or wedges, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
