On this homepage, you can find the **complete [menu](#) of Hollywood Lounge [Pizza Grill](#)** from York. Currently, there are **16** meals and drinks available. Nestled in York, this charming restaurant offers a mixed dining experience. While the welcoming staff and attentive service shine through, the food quality is inconsistent. Highlights include delicious risotto and generous portion sizes, particularly with seafood and pasta dishes. However, undercooked starters, overcooked mains, and a lack of basic coffee options detract from the overall enjoyment. Despite its dated decor and occasional rushed service, the inviting atmosphere warrants a visit. Diners praise the friendly team and beautiful presentation, but many feel that in a city rich with options, this restaurant falls short of being a must-return destination.
