A **comprehensive [menu](#) of Frying Nemo** from Selby covering all **15** meals and drinks can be found here on the food list. Frying Nemo has garnered mixed reviews, reflecting a blend of culinary delight and service dissatisfaction. While many patrons rave about the quality of their fish and chips, highlighting the tasty curry and exceptional gravy, experiences with portion sizes and customer service leave much to be desired. Reports of rude interactions from staff, particularly during busy hours, have tainted the visit for some, leading to disappointment for those expecting a warm reception. Despite this, loyal customers appreciate the consistent quality and the friendly banter from the cozier, more dedicated employees. Overall, Frying Nemo remains a hit or miss in both food and service.
