A comprehensive [menu](#) of **Luciens Coffee Lounge And Wine** from East Riding of Yorkshire covering all 16 courses and drinks can be found here on the menu. The Lounge in Hornsea offers a mixed experience for diners. While some guests appreciate the lively atmosphere and friendly staff, others express dissatisfaction with cleanliness and service. Issues like dirty tables, lack of vegan options, and premature kitchen closing marred the visit for some. However, loyal patrons commend specific staff members for their attentiveness and warmth. The food receives varied reviews; while many enjoyed the drinks and specific menu items, some felt dishes lacked freshness and options. Despite the inconsistencies, the venue remains a popular spot, especially for evenings out and live music, appealing to a diverse clientele.
