A complete [menu](#) of Taste Of India from Stoke-on-Trent featuring all 18 dishes and drinks can be found here on the menu. Taste of India presents a varied dining experience, oscillating between impressive flavors and disappointing service. While some patrons rave about the "flavoursome curries" and commend the "friendly staff," others report freezing delays and unpleasant encounters with rude operators. Many diners enjoy the "amazing food" and generous portions, especially recommending the lamb dishes, but have encountered lukewarm servings and incorrect orders. Service has received criticism for inconsistency, particularly during busy times. Despite these challenges, a handful of guests maintain a commitment to return, confident in the restaurant's potential for great Indian cuisine when executed correctly.
