they use a delicious vegan cheese and have a lot of options for pizza toppings! I had recommended my first vegan [pizza](#) here high! also a beautiful, cozy and atmospheric place. [read more](#). What [User](#) doesn't like about The Stable:

Situated in converted stables at rear of hotel. Communal tables with benches which you have to pull out. Benches are hard and have no back support, so okay for a short while but not for a longer stay and probably not ideal for elderly people. Vegan starters and pizzas with Bute Island cheese (printed on reverse of menu). I had [pizza](#) with hazelnut topping – unusual but nice. No obvious vegan desserts. [read more](#). At The Stable from Bridport you have the opportunity to **taste delicious [vegetarian menus](#)**, in which no trace of animal meat or fish was processed, Furthermore, the **sugar-sweet treats** of this establishment sparkle not only on children's plates and in children's eyes. Furthermore, there are many typically British meals on the menu that make the English heart beat faster, Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive variety of beers from the area and from worldwide, which are definitely worth a try.
