On this homepage, you can find the **complete [menu](#) of Roni's** from Camden. Currently, there are **20** meals and drinks available. Nestled in Hampstead, this café offers a mixed experience for diners. Once celebrated for its outstanding service and delicious food, recent visits reveal a concerning decline. While some patrons enjoy the relaxing outdoor ambiance and fresh, well-portioned brunches, others report disappointing food quality and disinterested staff. Confusing menu labeling led to unfortunate dietary mishaps, while service-related issues have left customers feeling unwelcome. Despite these challenges, the café's commitment to good ingredients and charming atmosphere still resonates with many, making it a hit for casual coffee and cake gatherings. Overall, prospective visitors should tread carefully while revisiting this establishment.
