Great place. Have been using it as the standard against which all other Indian restaurants must compete. Downside? For some reason they felt the need to paint over the character of the place. The decor is bland now. The murals on the walls have gone. I loved those. It's in bad need of a revamp. Can't complain about the food tho. Love it. [read more](#). like about The Raj:

Warning, if you order food on a Saturday night then delivery times are a lottery. On a normal busy period expect 1 hour. What is frustrating is to be told 30-40 minutes and then to wait 1.5 hours. This has happened one time too many. Food is absolutely fine. But delivery times are random at best. Pick up only to avoid disappointment. [read more](#). At The Raj from Ards it's possible to [try delicious vegetarian meals](#), that were made without any animal meat or fish, Dishes are also prepared here, tastily and freshly with typical **Indian spices**.
