A complete [menu](#) of The Royal Arch Bistro from Dundee City covering all 24 courses and drinks can be found here on the menu. The Royal Arch Tavern Bistro in Broughty Ferry has been a beloved establishment since 1840. Formerly known as Broughty's Railway Tavern, it underwent a name change in 1860 to commemorate the removal of the ancient Royal Arch Lodge. The tavern boasts a charming hand-carved solid oak bar, counter, and sideboard, and the bar/bistro has recently been refurbished. The venue, which was converted from former stables, features exquisite hand-made stained glass windows and ceiling panels adorned with scenes of the Broughty landscape. With a strong emphasis on using fresh local ingredients, The Royal Arch's menu offers a variety of options, including light snacks, healthy choices, [seafood](#) dishes, traditional East of Scotland fare, and international favorites. Guests can also enjoy dining on the sheltered pavement terrace. The tavern has received multiple awards for its exceptional hospitality, including the prestigious Best Bar None Gold award in 2014.
