On this webpage, you can find the **complete menu** of Richard I from Greenwich. Currently, there are **24** dishes and drinks available. Richard the 1st pub offers a mixed experience for patrons, with some praising its friendly atmosphere, attentive staff, and lovely garden, making it a favored local spot. However, others have reported significant issues, such as disappointing food quality, particularly on Sunday roasts and among starters, which have not met expectations. Despite its vibrant setting and potential for enjoyable gatherings, accounts of unaddressed verbal abuse highlight concerning lapses in staff response to customer safety. Overall, the pub's charming environment is overshadowed by inconsistencies in food experience and troubling incidents, prompting some to seek alternatives for their outings.
