Here you can find the [menu](#) of **Cafe Oscars** in Lewisham. At the moment, there are **21** courses and drinks on the card. This café, once a treasured spot for friends and families, now faces criticism as it has taken a distinctly trendy, yet disappointing turn. Patrons lament inflated prices for meager portions, finding the service aloof and the ambiance sterile, more suited to office-goers than the cozy neighborhood vibe it once embraced. Despite a menu featuring tasty items and commendable coffee, the overall experience feels lacking, with incidents of forgotten orders and unfriendly staff adding to the discontent. While some cherish its remaining charm and delightful pastries, the overarching sentiment is one of loss for the café's former warmth and community spirit.
