A comprehensive [menu](https://menuweb.menu) of The National from Belfast covering all 33 meals and drinks can be found here on the food list. At the Merchant Hotel, opinions vary widely, yet a common thread emerges: the ambiance is enchanting, characterized by a woody-green aesthetic that provides a sophisticated backdrop for dining. While some guests laud the delightful service and enjoyable brunch options, others express disappointment over inconsistent cocktail service and high prices. Reports indicate that guests often face long waits and miscommunications about seating and menu availability. Despite these service lapses, diners appreciate the tasty food, especially during brunch hours. The venue's charming atmosphere and potential for a vibrant social scene continue to draw patrons, albeit with noted concerns regarding service efficiency.
