On this website, you can find the **complete menu** of Madu from Swansea. Currently, there are **20** courses and drinks up for grabs. Madu offers a mixed experience for diners in Swansea, blending charming decor with a diverse menu of desserts, smoothies, and crepes. While many patrons enjoy delightful treats like Nutella crepes and fruity sundaes, concerns arise regarding service inconsistencies, including long waits for staff and issues with menu clarity, particularly for those with allergies. Some found the drinks overpriced, especially pre-bottled beverages, and the small restrooms may deter visitors during busy times. However, the friendly atmosphere and attentive service often win customers over, prompting recommendations for a sweet visit at this inviting establishment.
