my partner had just chicken-chow and chips from here. the owner is so sweet and gave my young dog a tasty bite while we waited. the food tasted great and not too fat like some places. not the cheapest, but if they want to eat fresh good quality, then they will get what they get and it is worth. [read more](#). What [User](#) doesn't like about Chopsticks:

Thank you for coming on Sunday night. Unfortunately due to supply chain issue, we ran out of stock on the key menu items earlier than expected. We are sorry we could not serve you that night but would be delighted to see you again next time (we are open again on Thursday 18th August). [read more](#). At Chopsticks in Denbighshire, *tasty, juicy, delicious meat is freshly grilled* on an open flame and served with tasty sides, The meals are usually prepared for you **in a short time and fresh**. Even the versatile, delicious Chinese cuisine is very popular among guests, Furthermore, the customers love the inventive combination of different menus with new and partially experimental products - a nice example of successful [Asian Fusion](#).
