A **complete** <u>menu</u> of China Red from Charnwood featuring all **15** meals and drinks can be found here on the menu. China Red has garnered a mixed reputation among its patrons, balancing memorable flavors with significant disappointments. While many customers rave about their go-to dishes, such as chilli salted crispy chicken and mixed veg chow mein, others faced unfortunate experiences with undercooked meals and subpar service. Complaints about flavorless food and improper orders, like missing starters, have dampened the mood for some loyal customers. However, on a brighter note, prompt delivery and polite staff have been consistent highlights. Ultimately, diners should approach China Red with caution, prepared for both delightful and disappointing outcomes.
