Here you can find the [menu](#) of **Everest Tandoori** in Bassetlaw. At the moment, there are **18** meals and drinks on the card. Everest offers a mixed dining experience, highlighted by friendly service and enjoyable food, though inconsistencies mar its reputation. While the naan and poppadoms are often praised, some dishes, such as the lamb, have been criticized for being overcooked and lacking authentic spice flavor. Takeaway service has received backlash for long waits and missing items, accompanied by unhelpful customer service. Diners appreciate the restaurant's welcoming atmosphere, especially on busy evenings. Consistent quality appears to depend on timing, with cash-only policies occasionally raising eyebrows. Overall, Everest remains a solid choice for casual Indian dining, especially if dining in.
