On this site, you can find the **complete [menu](https://menuweb.menu) of Upton Fish Shop** from West Lindsey. Currently, there are **24** menus and drinks available. The fish and chips shop boasts one of the last coal-fired kitchens in the world, preserving its 1940s charm. Fresh Grimsby Haddock cod is fried in flavorful beef dripping, while hand-cut chips and a secret, 65-year-old batter recipe add to the unique experience. Customers travel far and wide for this authentic taste, now recognized in the Good Food Guide 2015. Please note, our traditional cooking style may not suit all tastes - those seeking conventionally prepared food with vegetable oil and French fries should look elsewhere.
