really tasty eating, we went to lunch and got the banquet: suppe (sweet, sweet calibre or hot and sour), bang cracker, early rolls and then a meal each. we had chickening po and beef green pfeffer black bean sauce. everything was very tasty, quick service. the only thing that made me stand out were all small notes under the glass on the tables that the customers had left, I am not sure why it was putting me out becau... [read more](#). What [User](#) doesn't like about Big Bowl Noodle:

in my world the most important ingredients should be in a satay sauce and cocos milk. at the big bowl we got an undefined soy sauce with fragments of nuts (I think) in. very disappointing. then it did not help that the service was good and that part was great. there are many good reviews here, so there are probably many other good things on the menu, but stay away from the Satay sauce!
