bullerbyn is a very cool place to hang, either to study/drink coffee during the day, or have some beer/wein/cocktails in the night. the place had only a vegan product when I was there, at least among the netzen that is not good enough. the part was quite small for the price (235 czk for a bürkei with frits). it tasted good. 4/5 stars. Typical hipster place, we had the dumplings(? And the marinated cauliflower. It was fine, but a little tasteless. The cauliflower would have had more sauce and the lentil salad you got with it could also have more spices. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, here they serve a diverse brunch for breakfast. Watching various sports events and competitions is also one of the highlights of visiting this **sports bar**, Besides the tasty sandwiches, healthy salads and other snacks also make a good snack.
