The Green Pepper presents a varied dining experience, with some praising its flavorful dishes and friendly atmosphere, particularly enjoying standout items like lamb Balti and the homemade sauces. Many have noted the appealing value of BYO, contributing to a relaxed vibe. However, inconsistent service has marred visits, with reports of order mix-ups, lack of resolution to complaints, and unwelcoming staff attitudes. While the food quality shines for some, others found the mains lacking substance. Ultimately, The Green Pepper shows promise but needs to refine its service to match the quality of its cuisine for a truly enjoyable experience.
