I really enjoyed my dinner here on a Friday night. service was an excellent waitress was very attentive. when we asked if it was possible to get a burger than veggie burger that was not on the menu, she did not ask just that of course this was possible and even gave an option between like a Quorn style veggie burger or tofu. eating was really delicious and not bad for Finland. would recommend this place anyway [read more](#). What [User](#) doesn't like about Le Qulkuri:

Very cozy place! We tested the lunch with small group. Apparently we were a bit too late as food was running out and service slowish. Salads were a bit boring. [Vegetarian](#) main course (asparagus and sweet potato) decent, potatoes overcooked while the asparagus was excellent. Apparently the chicken was very good. Mini desserts were nice. I think the concept is good, and will definitely try this place again. [read more](#).
