What [User](#) likes about Joe The Juice: a chain of restaurants that I have seen in Britain. I was visiting London several times to have the club sandwich. They have the choice between the veterinarian and the meat. I must say that I have fallen for the sandwich and therefore have eaten it several times during my visit. It is not a typical bread sandwich, but has a really crispy roasted bread. One thing to be noted that they have another price for items th... [read more](#). Joe The Juice from London is a good option for a bar if you want to have *a beer after work* and sit with friends or alone. Especially the flavorful juices are highly appreciated by the customers. Sometimes you may not want to eat a lot, in this case one of the fine sandwiches, a small salad or another snack is just right. The customers of the establishment are also thrilled with the extensive variety of differing coffee and tea specialities that the establishment offers.
