A **comprehensive [menu](#) of Millennium Dragon** from Cherwell covering all **16** menus and drinks can be found here on the menu. Millennium Dragon, a Chinese restaurant in Bicester, encapsulates both culinary highs and lows. Diners praise the succulent beef chow mein and flavorful house special roasted rice, while others lament excessive saltiness and bland dishes. Service efficiency is frequently noted, though cash-only transactions and a lack of delivery options can be inconvenient. Quality inconsistencies, from reheated gyoza to overcooked proteins, raise concerns, alongside the puzzling price points for appetizers. Despite the mixed reviews, the restaurant maintains a loyal customer base eager to savor well-prepared favorites, although many express frustration over recent experiences. Ultimately, expectations can vary widely.
