typika is a very trendy and beautiful cafe in nusele. I had a Chai-Latte with milk that was very sweet but tasty. for brunch (up to 14.00) they have many [vegetarian](#) options, but only a vegan option. when brunch ends, there are no vegan options, and not even [vegetarian](#) options, something that is quite disappointing. we had the banan bread for brunch, that was delicious. It should not be forgotten that there is a large selection of **coffee and tea specialties** in this restaurant.
