What [User](#) likes about Cardamon:

Went in on a Sunday Evening. Everything arrived early and the food was hot and tasty. Recommend for anyone who wants A+ customer service , top quality food and chilled out vibe. Will definitely come again ! [read more](#). In pleasant weather you can even have something in the outdoor area, And into the accessible spaces also come guests with wheelchairs or physical limitations. What [User](#) doesn't like about Cardamon:

Ordered a takeaway and was relatively average price once the discount was applied or it would have been really expensive. Food was average overall and not as good as ratings i had read. Keema naan tasted strange almost like lemon cleaner. pilau rice not as nice as others locally. Overall disappointing and there are others around that have better quality food. [read more](#). In Northampton, traditional courses are prepared in the kitchen of Cardamon with original **Asian spices fine**, Furthermore, the guests love the successful combination of different meals with new and partially experimental ingredients - a nice example of successful *Asian Fusion*.

Guests also value the use of typical Indian spices.
