A **comprehensive [menu](https://menuweb.menu) of Golden Fleece** from Waverley covering all **29** dishes and drinks can be found here on the menu. The Golden Fleece, a long-standing favorite for Thai cuisine, has seen a range of opinions post-ownership change. While the food quality remains generally praised, many reviewers have noted reduced portion sizes and inconsistent flavors, with some dishes lacking the expected punch. Service can be hit-or-miss; delays and errors in orders were mentioned alongside commendations for friendly staff. The ambiance, while warm, does not fully capture an authentic Thai feel. Despite some criticisms, patrons appreciate the value and occasionally rave about standout dishes, indicating a venue that could benefit greatly from consistent quality and service improvements.
