What [1Pulmu K \(2 1 year ago on Google\)](#) doesn't like about Indian Orchid:

I appreciate the friendly customer service. But nice people were the only good thing in this venue. The food was simply terrible and very low quality. It was made purely of some tinned or frozen mix of peas and corn and carrot cubes, extremely greasy and simply bad. Nothing fresh, no good flavours and good art of cooking. The restaurant was very cold and bleak. [read more](#). At the establishment, the fresh and delicious *juices* on the drinks menu wonderfully complement the menus, Dishes are also prepared here, tastily and freshly with traditional **Indian spices**. You can also look forward to tasty [vegetarian](#) cuisine.
