What [User](#) likes about The Six Bells:

the third time here and it is worth a few other places for! our meal was so good and so the service it was a nice atmosphere, tho we were a bit unhappy this time with a big table of women coming close, but we pulled and peace restored. I hope the place never goes bankrupt and closes or lets us men who use terrible speeches. [read more](#). You can use the WLAN of the restaurant free of charge, And into the accessible spaces also come clientele with wheelchairs or physiological disabilities. If the weather conditions are right, you can also eat outside. The Six Bells from Boreham is a good option for a bar if you want to have *a beer after work* and sit with friends or alone, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive variety of both local and international beers, which are definitely worth a try. Also, there are many **timeless British** dishes in the card that will satisfy any lover of British cuisine, the menu also includes tasty [vegetarian](#) recipes.
