Very nice staff, outdoor seating is very well done, the only negative was our table top was a little wobbly, but we have a giggle out of it, we had breakfast here and it was to die. Best eggs Benny we had in a long time and the pancakes were beautiful. I'd drive from tip to coffee and breakfast again. We'll be back. [read more](#). What [Will](#)

[Ammann](#) doesn't like about The Shire,:

Doesn't really commit to the LotR bit as much as you'd hope. Sure there's some references here and there, but it feels too half-hearted for me. And the food was decent, just overpriced. Service was very friendly though. Cute, just not the place to get second breakfast if you know what I mean. [read more](#). A visit to The Shire, becomes even more rewarding due to the large selection of coffee and tea specialties, Especially the delicious juices are highly appreciated by the guests. Even if you're not so famished, you can treat yourself to one of the tasty sandwiches, a healthy salad or another snack, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
