On this site, you can find the **complete menu** of Fentiman Arms from Lambeth. Currently, there are **25** menus and drinks available. The Fentiman Arms offers a mixed dining experience, highlighted by its charming atmosphere and proximity to The Oval cricket ground. While some patrons rave about the delicious food, such as the fish pie and Sunday roasts, others lament inconsistent service and a lack of attentiveness from staff. The beer garden provides a pleasant setting for meals, especially during the summer, but frustrations arise when service fails to meet expectations. Overall, the potential for a wonderful pub experience is evident, yet reliability remains an issue that the establishment must address to truly shine in the competitive London dining scene.
