the menu has lots of gf annotations showing what gf can eat. the manager said to me that the frit is separated from gluten frit. I had pulled pork with sweet potato frits and salat. it was good, served on gf brot, not a bun. I liked the fantasma canned gf beer ipa (with traces of gerste etc. under 20ppm.) the service was friendly and super- I sat at the bar. the wautress was not confident about gf, so she got the man... In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, Of course, you also have to try the **tasty burgers**, that come with sides like fries, salads, or wedges served. Look forward to the enjoyment of fine vegetarian dishes, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
