[User](#) likes about Trattoria Leone:

fair prices compared to the rest of dubrownik, where prices are generally high compared to quality. this restaurant has indoor and outdoor areas served on the hill in city walls. the service is friendly. the menu does not have too much choice that I see as plus. the food we tried was really nice and served in a really nice way with colorful plates. The food was decent, but nothing I would rave about. My family and I just had a good time here and the ambiance was nice. My linguine was ok, but there wasn't much to enjoy (I could have finished my linguine in 3 bites and the clams were the size of dimes). My wife's soup was really just marinara sauce. [read more](#).
