A **comprehensive [menu](#) of Dolls House** from Islington covering all **16** menus and drinks can be found here on the card. The Dolls House Islington is located at 181 Upper Street, a 3-story Victorian townhouse that has been serving fine food, drinks, and entertainment since 1856. The current owners have redesigned the interior with hand-illustrated monochrome walls inspired by old stately homes. The stripped-back style combined with twinkling candlelight and the house's debaucherous character creates a unique and inviting atmosphere for indulging in life's pleasures.
