A comprehensive [menu](#) of Sea Master from Southwark covering all 21 dishes and drinks can be found here on the menu. Seamaster, a local fish and chip shop, offers a blend of culinary experiences, ranging from excellent chips and friendly service to disappointing fish quality. While many patrons praise the chips as exceptional and enjoy the welcoming atmosphere, others report consistently overcooked fish that diminishes the overall enjoyment. The restaurant has made strides in improving its batter and customer service, but attention to cooking techniques remains a concern. For those seeking a classic fish supper, it may be wise to manage expectations or explore menu alternatives beyond their battered offerings.
