We had a lovely dinner in Pieter Pourbus, with very good wine and incredible steak. The interior is beautiful (resembling a cave), cosy and very romantic. The staff was very helpful and we could easily communicate in English. Definitely recommend it for an intimate night in Bruges. [read more](#). Pieter Pourbus from Aalter is a good place for a bar to a **cocktail after work** and be able to hang out with friends, But above all, there are robust German menus with matching sides like dumplings as well as salads.
