A comprehensive [menu](#) of The Bull Inn from West Berkshire featuring all 43 meals and drinks can be found here on the menu. Nestled in a picturesque setting, The Bull offers a charming rustic atmosphere complemented by a lovely garden. Diners rave about the Sunday roast, often declaring it among the best they've experienced, particularly praising the tender beef and creamy cauliflower cheese. However, some dishes, like katsu curry, have disappointed, with concerns raised about over-salting and blandness. While desserts generally impress, service has been noted as inconsistent, with staff frequently changing. Some guests find the ambiance cozy, though seating can feel tight. Overall, The Bull presents a mixed but generally pleasant culinary experience, offering potential alongside areas for improvement.
