The food is very good apart from the salads and humus. The ambience is great and the service is also very good. The fish tank which is present in the premises looks appealing. It is a fun place to hang out which is not too expensive. It provides you with a good dining experience and the quantity of the food is also very good. Overall it was a good experience. indoor shisha smoking in the first floor, the only reason it gets 3 points. service is not friendly, tee is quite poor, shisha is good, but hey, it is called shishawi, so I guess as it does what it says on the box should not really expect more. I'd give another point if they see the decoration. [read more](#). Shishawi from City of London, Westminster is a good option for a bar if you want to have a drink after work and sit with friends or alone,

The *tasty* desserts of the local also shine not only in the eyes of our little guests. For those who are still undecided, the smell of fresh flatbread and the scrumptious, sticky delight of fresh baklava might be just the conviction they need - the Middle East is undoubtedly closer than one believes, Moreover, the menu of this gastropub offers a good and especially comprehensive diversity of beers from the region and the world that are definitely worth a try.
