What [Svanhvít Vígsteinn](#) likes about American Style:

This place was great. The food was so good, friendly service, clean and... did I mention that the food was good?

The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Gamalíel Artúrs](#) doesn't like about American Style:

Is very small place you need to wait for a table, then more that 45 min that someone came to serve clean table and more than 1 hour food that arrives cold. Is better not go on weekends is not much employee for orders in dinning rooms and take away. It's the second time I go and know why I'm not going back so long. [read more](#). If you're hungry some spicy South American gastronomy, you're in the right place: exquisite dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, The fine sandwiches, small salads and other snacks are also suitable for a snack. Most **menus are prepared quickly for you** and served, and you have the opportunity to try scrumptious American meals like *Burger or Barbecue*.
