What [User](#) likes about Les Caves Du Sablon:

This is a very good restaurant. Although expensive, the excellent wine (the staff for wine proposals), good food (in a small menu) and large staff (big suggestions of wine to accompany the dishes; almost invisible unless you need it; easy change between French and English) make it a great opportunity for dinner. Look forward to creative combinations of different products at Les Caves Du Sablon in Brussels - following the concept of a magnificent fusion cuisine, look forward to the typical scrumptious French cuisine. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Furthermore, the customers love the creative combination of different menus with new and partially experimental ingredients - a nice example of successful **Asian Fusion**.
