What [User](#) likes about The Snailbox:

Have to say didn't know this place existed till last night but I will be back. Fabulous evening from the moment I entered the bar. The staff are friendly and very attentive. The food was lovely and the fillet steak I had was one of the best I've ever eaten. Super spot for an evening meal or a sunday lunch and the view out to the river Boyne is stunning. Looking forward to my next visit. [read more](#). At The Snailbox, scrumptious cuisine from international cuisine are freshly cooked for you, Forbreakfast a versatile brunch is offered here.
