We have ordered from Mrs Browns for the last three Christmases our Xmas lunch fat santa. This year was the best year! The Fat Santa was the tastiest I have ever had. There was 11 of us and every single one of us enjoyed them!! So much Turkey, and veg with extra pots of gravy too!! Cant recommended Mrs Brown's enough!! [read more](#). When the weather is nice you can also be served outside, And into the accessible spaces also come

customers with wheelchairs or physiological limitations. What [ChrisandMartin](#) doesn't like about Mrs Browns: We had been here a few times before just for tea and cake, so we popped in on a recent visit to Plymouth. Yes the cake was amazing, but the bacon roll definitely lacked lustre and the tea was served by the small mug [far too expensive] and the tea was weak and cold. This place is great for take-away cake but I wouldn't recommend eating or drinking here. A great disappointment! [read more](#). A visit to Mrs Browns is particularly valuable due to the large range of **coffee and tea specialties**, In the morning they serve a varied breakfast here. Moreover, there are a wealth of *classically British* menus on the menu that will evoke nostalgic feelings in every Brit abroad.
