During a meal, a good drink is essential. In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of **good beers and other alcoholic beverages** that go well with the food, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Furthermore, there are several typically British meals on the card that give every Englishman abroad the feeling of being at home, here they serve a **appetizing brunch** in the morning.
