On this site, you can find the **complete [menu](#) of The Nelson Inn** from Harrogate. Currently, there are **37** dishes and drinks up for grabs. The Inn, built around 1776, was originally a private house until the early 19th century.

Today, you'll find us embracing a traditional style with open fires, flagged stone floors, antique furniture, and plenty of rugs and plants. Our bar is the heart of the inn, offering a selection of cask ales, an impressive array of gins, whiskies, and rum, and a wine list featuring around 50 different wines. Downstairs, we have a private dining room perfect for intimate family meals or business lunches of up to 12 people.
