the salatbar had items that were missing, although the restaurant was quiet. articles from the menu did not come out until we were finished, many repetition meat instead. the last few times we were there, there is always a table young people who are quite intimidating, do not behave in harmony with an expensive meal. seem to be rich cash and not dressed for a beautiful evening. Sorry, I don't think we're back. [read more](#). During a meal, a good drink is essential. In this [gastropub](#), you not only get delicious dishes from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, It's possible to chill out at the bar with a *freshly tapped beer* or other alcoholic and non-alcoholic drinks.
