What [User](#) likes about Rice N Three: this is the place when they want to make authentic home Indian food! Do not believe that I am from the same part indiens as the owners and trust me that is how our mothers cook! home made indian gujarati schirr they must try curry kitchri! and everything else in the menu! ace! [read more](#). When the weather conditions is good you can also have something outside. What [User](#) doesn't like about Rice N Three: Got the Rice 3, daal, potato veg, was ok, nothing special about it can't beat Kebanas on cheetham hill rd, Manchester, now there rice three no matter what you get is delicious a generous portion complete with spicy onion salad mixed yogurt imli sauce. Won't be returning in a hurry, sorry guys [read more](#). Traditional dishes are prepared in the kitchen of Rice N Three in Bolton with typical **Asian spices fine**, here they serve a comprehensive brunch for breakfast. You can also look forward to [tasty vegetarian cuisine](#), Furthermore, the customers love the inventive combination of different dishes with new and partially experimental ingredients - a good example of successful *Asian Fusion*.
